# Wildcat Weekly

**AWESOME summer enrichment camp for children entering grades K-6!**

Children are presented with fun, hands-on challenges that encourage creative problem solving, teamwork, entrepreneurship, and innovation. Also, at the end of the program, each camper will bring home two personalized robots! Camp invention is led by experienced local educators and new curriculum is introduced each year,

inspired by the Inductees of the National Inventors Hall of Fame!

**June 25<sup>th</sup> - 29<sup>th</sup>**  
 9:00a.m. - 3:30p.m.

## Music News

Check out the Octavia Fields library! This summer will be full of fun activities, events, and free stuff! There is something for everybody. Find the events calendar at: <http://www.hcpl.net/location/octavia-fields-branch-library>.

~Mrs. Grayshaw,  
 Music Teacher

May we make our homes places of relaxation, joy, love, peace and safety. May we be generous and considerate, not thinking only about ourselves, but helping others enjoy the blessings of the summertime. Guide our steps and strengthen our hearts during these months of summer and vacation days. Grant us refreshment of mind and body. May we constantly strive to make a deep difference in the lives of our loved ones this summer.

## Pre-K Tidbits

The year has flown by so fast. Pre-K has learned a lot this year. We will be taking

our final assessment of what we have learned this year. All of our students have grown so much academically. Way to go!! Please remember to help your student over the summer to continue to practice the ABC's and 123's. Keep working on writing their name and sharing/reading books together. They will be amazing Kindergarteners next year! ~Pre-K Teachers

First Grade had a fabulous school year, only comparable to a roller coaster ride! We've had fun, learned, and developed skills that will be the foundation of our students in their academic lives. It's been a team effort that students, teachers, school staff, and parents have accomplished together. **WE DID IT!** Now we have to look ahead and plan for the future. It is very important that students read daily during summer to keep, or advance their reading level to be ready for 2<sup>nd</sup> grade. Let's not lose what was achieved with so much work, effort, and commitment. Please visit your local library and have fun reading with your children, thus creating a bond for years to come. Thanks for all your support throughout this school year.

## 4<sup>th</sup> Grade Finale

The 4<sup>th</sup> grade teachers are so excited to have been your teachers this year. We have watched you work hard, learn new skills, and encourage each other the entire year. We are confident that you have learned all of the tools to be the best 5<sup>th</sup> graders you can possibly be next school year. We are truly grateful that we have been a part of your lives and you ours. This summer, please continue to read your favorite books and practice your math facts. Have a very enjoyable summer and we can't wait to see you enter the school as 5<sup>th</sup> graders in the fall.

~Ms. Baker, Mrs. Cowger, Mrs. Goodman, Mrs. Kizzee, Mrs. Mackey, & Mrs. Uribe

## We're 2<sup>nd</sup> to None

We would like to wish everyone a restful and safe summer break!!  
~ 2<sup>nd</sup> Grade Team

As this year comes to a close, we want to take a moment to say THANK YOU for entrusting us with your child! This year we have lived, studied, learned, laughed, sang, grown-up together, and taken the Reading and Math STAAR! We look forward to the day when we hear that familiar name linked with great accomplishments. Here are a few tips to prevent summer learning loss:

- Read, Read, Read each day during summer break—15 to 30 minutes per day.
- Encourage creative writing: Have your student write a creative paragraph each week. You can help by assisting him/her with choosing a topic (such as a family vacation, special outing or holiday memory) to write a paragraph about.
- Visit the library!
- Download educational fun apps on tablets or smart phones.
- Practice math facts and online math games such as Prodigy and Think Through Math.

Have a fun and safe summer!  
~Mrs. Cundiff, Mr. Flores, Mr. Fowlks, Mrs. Gonzalez, Miss Hurst, Miss Ordner, & Mrs. Vasquez

## 5<sup>th</sup> Grade Farewell

It's hard to believe another school year is wrapping up! We've enjoyed watching our students blossom into lifelong learners. We feel confident that we have instilled a love of learning that they will carry with them into middle school.

Upcoming events:  
• **Awards Program June 1<sup>st</sup> @ 9:00a.m.**  
Parents may sign their child out to go home after the program.
