

# Professional Development at LSC-K

August 25, 2018

Dear Quest ECHS Dual Credit Staff:

As you already know, the Lone Star Kingwood campus is not yet reopen due to the terrible destruction caused by Hurricane Harvey last fall. The anticipated date of campus re-opening is spring 2019.

This means our annual Professional Development at the college cannot be held this fall.

However, please make use of iStar to find other professional development opportunities throughout the Lone Star system. As always, when you attend Professional Development, remember to submit your hours to Eduphoria and present a copy of certificates to Mrs. Botello.

Best wishes,  
Crescida Jacobs  
Dual Credit Liasion
