

Dear Parents,

On **TUESDAY NOVEMBER 5<sup>th</sup>, 2019**, your student has the opportunity to participate in the field trip to Texas Renaissance School Days Festival! This will be a fun experience for the students to explore another time period and compete in a Trebuchet competition.

This event is closed to the public and offered to schools only!

We will meet at **8:30am** at Woodcreek in the amphitheater, bus loaded by 8:45am. We would be back from the event around 5:00pm. (Traffic is always the defining factor.) Please make sure your student has a ride home no later than 5:15PM.

**The cost for the event is \$40.** This cost will include their ticket, lunch voucher, and bus fee as well as TWO free tickets for any Sunday for the rest of the Renaissance season. Students can bring extra money for snacks, rides, or souvenirs, at your discretion.

(They CAN bring in their own water and snacks as well!)

In order to attend, students **MUST** turn in their form & money (cash) to me by **Friday, October 25th. NO EXCEPTIONS!!**

**I will need 4-5 parent chaperones for the trip.**

**I will pay for your ticket and lunch!**

**If interested, put your information below and send me an email. I will contact you soon!**

**Thank you for your constant support!**

Questions? Email me!!
