Dear Parent,

During the course of the year, your child may be issued and/or be in possession of and/or use equipment that is owned and maintained by the Humble Independent School District. Humble ISD provides for repairs necessitated by the normal day-to-day use of the equipment at no cost. However, the student's parent or guardian may be held responsible for repair or replacement costs associated with theft, accidental loss, and/or damage due to neglect, carelessness, or abuse.

I understand that the above student and I, as parent or guardian, are responsible for the school equipment exercising all reasonable care of it while under the student's custody, care and control and accept financial responsibility for repair and/or replacement of such equipment as outlined in this document.
