

## **Positive Behavior Plan**

*The Fourth Grade Team will be using a monetary system for positive behavior this year. Students will be keeping up with their withdrawals and deposits in a ledger that will be given to them. "Payday" for each student will be the first day of the week.*

*When a child has accumulated a certain amount of money, they will be able to make a payment for a reward of their choice. When a student makes an excellent choice they will receive a "deposit" from a teacher. When a student chooses not to follow classroom rules, they will be given a fine and will have to make a "withdrawal". All deposits and withdrawals will be recorded in their personal ledgers.*
