

3RD GRADE NEWSLETTER

Week of October 14th

WHAT WE'RE LEARNING

- ★ **Math:** Students will review money, and how to find the total of a group of coins and bills. Students will also round numbers to the nearest 10 and 100.
- ★ **Science:** Students will be able to identify different landforms and will explore natural resources.
- ★ **Reading:** Students will be able to identify text features and their purpose in the text.
- ★ **Grammar:** Students will be able to write sentences that focus on plural and singular nouns using -s, -es, -ies
- ★ **Writing:** Students will begin the editing process of their personal narrative.
- ★ **Project Based Learning Unit:** Students are observing and maintaining the garden beds that were built and designed by the students.
