

# 3RD GRADE NEWSLETTER

## Week of February 24

### WHAT WE'RE LEARNING

- ★ **Math:** Students will use division within a word problem. They will also begin identifying basic fractions.
- ★ **Science:** Students will pick a habitat that interests them to research.
- ★ **Reading:** Students will recognize characteristics of informational text and explain cause and effect relationships.
- ★ **Grammar:** Students will continue using conjunctions to combine their sentences.
- ★ **Writing:** Students will begin generating ideas for an expository writing sample.

### REMINDERS

- ★ **Please sign and return your child's progress report.**
- ★ Get your yearbooks now! They are only \$35-- Pay online at [www.balfour.com](http://www.balfour.com)
