

_____ has been chosen to represent Humble High School Key Club at

_____. I am aware that my child will be leaving school on

_____. I am also aware that he/she is responsible for missed assignments while attending.

Students may bring snacks. Students are expected to dress appropriately for the event. They may also need money for food while at the event. Students should also have a water bottle with them.

Any questions do not hesitate to call me 281-832-9262. I can send and receive texts...that is the best way to communicate with your child as well since phones are not allowed at events...and they will be very busy.

Steven Williams
Key Club Faculty Advisor
