Monday is a school holiday.

What we will learn: This week, we will learn about our senses. Our senses help us gather information about the world around us.

- ◆ We will continue learning about our names.
- ◆ We will focus on the color **Yellow**.
- ◆ We will learn about rectangles.
- ◆ We will learn that we each have five senses (sight, hearing, smelling, tasting, and touch) that help us learn about the world around us.
- ◆ We will practice using our five senses to gather information. We will play "The Freeze" game with our sense of hearing. We will play a memory game with our sense of sight. We will guess what item is in a sock with our sense of touch. We will use our sense of smell in an experiment with mystery liquids. We will talk about using our tongue for tasting food (at breakfast and lunch).
